

Public Notice

The Department of Transportation and Public Works (DTPW) informs the general public that it proposes to enact an Amendment to the Rule of Dimensions and Weight of the Motor Vehicles, Trailer and Semi Trailer, with the purpose of including the necessary regulation in regard of the use of ISO Tanks in the roads and highways in Puerto Rico in order of protecting. It will be enacted according to the Law Number 22 of 2000, as amended, known as Vehicle and Transit Law of Puerto Rico and the Law Number 38 of 2017, known as Uniform Administrative Procedure Law of the Government of Puerto Rico.

Those interested in reviewing and commenting on the draft of the proposed Regulation may request a copy of the same at the Office of the Legal Counsel, 17th Floor, Roberto Sanchez Vilella Government Center, Stop 22, Santurce, Puerto Rico during working day hours, upon payment of the corresponding fees, or free of cost by accessing our website at: www.dtop.pr.gov. You may also request an oral hearing including the reasons that justify the celebration of it.

The DTPW will provide a term of thirty (30) days from the date of publication of this Notice to receive written comments from the public and/or the request for an oral hearing. The comments can be submitted at the Office of the Legal Counsel during office working day hours or sent by mail to: PO Box 41269, Minillas Station, San Juan, PR, 00940-1269 or to giomatos@dtop.pr.gov

Your comments are very important to us. They will be thoroughly evaluated and, if considered appropriate, will be included in the final document.
